

PolyDog (PDOG)

The Guardian of Polygon

Community First. Built on Polygon.

Mission

PolyDog is a community-first memecoin built exclusively on the Polygon network. Our mission is to strengthen the Polygon ecosystem by building a transparent, fair, and long-term community.

Token Information

Token Name: PolyDog

Ticker: PDOG

Network: Polygon

Total Supply: 100,000,000,000 PDOG

Community Launch

PolyDog is preparing for a transparent community launch. Community funding will support initial liquidity, website infrastructure, and ecosystem growth.

Transparency

Treasury activity, liquidity, and project milestones will be publicly verifiable on-chain whenever possible.

Roadmap

1. Website and Whitepaper
2. Community Growth
3. Initial Liquidity
4. Public Trading
5. Ecosystem Expansion

Disclaimer

Cryptocurrency investments involve risk. Always verify official information through <https://polydog.xyz> before interacting with the project.
